I have learnt that our English association need some volunteers to meet the

visiting British student and I want to apply for the position. Firstly, I can speak

fluently English and have little difficulty communicate with English speakers, which

will make my work easier. Secondly, I show a group of Americans around our campus

last year. This experience will be enable me to do better this year. It is certain that I am suitable the

job. Thirdly, my communication skill will help them have the better understanding of Chinese culture.

I would appreciate it while you could take my application into account or give me the chance.
